## SOUL CATCHER MUSIC - SAMPLER 1

ALLOW SOUL CATCHER TO CAPTURE YOUR NATIVE HEART

This is a sampler from *Soul Catcher Music* containing some of our favorite selections from CDs that have already been released, as well as upcoming releases that will occur in 2002. We work hard to provide only the very best in Native American, Native Heart, New Age, Ambient, Relaxation and Meditation sound and music. This 30-minute CD/Cassette is a variety pack intended to provide the listener with a cross-section of listening enjoyment at a reasonable price. Then, if you wish, you can purchase one of the CDs represented on the Sampler knowing in advance the style and quality of your selection. For additional material go to [www.mp3.com/soulcatcher](http://www.mp3.com/soulcatcher) where MP3s can be downloaded and/or listened to for additional enjoyment and confirmation of our commitment to bringing quality products to you.
